CLAIMING A RECORD

An athlete can claim a club record if they are a current financial member of Wodonga Athletic Club.

Eligible competitions:

- WAC club events.
- Events held outside WAC events which are sanctioned by AV (eg, AV Shield, Countries, State, Junior & Open) and the athlete represents WAC as their first club.
- At some competitions, not all events are offered for each age group, such as relays and distance events. In an AV/AA competition where an athlete competes in a different age group than their designated WAC age division, an athlete can claim up to 2 record age groups (the competition age group and their WAC age group) as long as:
 - The throw weight matches the WAC age group specifications
 - The hurdle/steeplechase height/distance matches the WAC age group specifications

Relays:

- Under age relay races where mixed age athletes are competing (ie. 2 x U14 and 1 x U16 athlete and 1 x U18 as registered at WAC) the record that may be claimed is the U18 age group as that is the oldest athlete in the team. Over age athletes competing in a mixed age team may similarly only claim the age record relevant to the youngest team member in the WAC age categories.
- Relay records will be recorded as female, male or mixed teams.

Uniform:

- Athletes must be wearing the WAC club uniform to qualify for club records at a local and AV level. If representing Victoria or Australia, the relevant uniform would be worn.
- Records achieved at Masters events can only be claimed when wearing the official State or WAC uniform with weights/distances/heights matching WAC age group specifications.

How to claim:

- With the exception of WAC run events, all athletes wishing to claim a record must submit a "claiming a record sheet" and official verification must be provided from the athlete's event results and submitted with the record claim.

Please note:

Records count while representing AV at National competition if representation has been achieved through competing at AV events as a WAC member.

Records achieved through All Schools (State & National) competitions are not recognised as athletes are representing their school.
